Application No.: 10/089,976 : DECISION ON  
PCT No.: PCT/RU99/00332 :  
Int. Filing Date: 10 September 1999 : PETITION UNDER  
Priority Date: 28 April 1999 :  
Attorney Docket No.: None : 37 CFR 1.137(b)  
For: Lottery Game :

This is a decision on applicant's renewed petition under 37 CFR 1.137(b) filed on 19 April 2003.

### DISCUSSION

A grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by (1) the required reply, unless previously filed; (2) the petition fee as set forth in § 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional; and (4) any terminal disclaimer (and fee as set forth in § 1.20 (d)) required pursuant to paragraph (c) of this section.

In a decision mailed on 09 August 2002, a petition filed on 03 April 2002 was dismissed without prejudice because requirements (1) and (2) had not been satisfied. Petitioner claims that both of these requirements have now been satisfied. Review of the application file and USPTO records reveals that the petition fee has been received, and that counsel has authorized the required reply in the form of the basic national fee to be charged to Deposit Account No. 26-0085. As such, all of the requirements of 37 CFR 1.137(b) have now been satisfied.

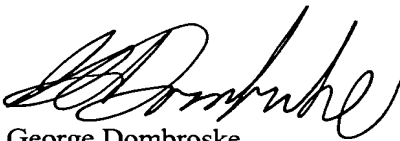

It is noted that the declaration of the inventors filed on 03 April 2002 is defective in that it does not include residence and post office address information for either of the inventors, nor has this information been furnished by an application data sheet.

### DECISION

The petition to revive the application with respect to the national stage in the United States is **GRANTED**.

This application is being forwarded to the National Stage Processing Branch for further processing.
